CONFIRMATION OF SERVICES RENDERED / TESTIMONIAL

This serves to confirm that STEP AHEAD ACADEMY delivered a 2-day Business Writing and Presentation skills to FASSET stakeholders in November and December 2016. The content/outcomes of the training met our expectations. The training programme was informative, practical and relevant to the 21st century audience. The company also demonstrated an ability to deliver at short notice, under stringent timeliness, simultaneous sessions across various provinces.

The delegates thoroughly enjoyed the well-conducted training sessions delivered by their knowledgeable and experienced facilitators.

We have found the company to be very professional and dedicated.
