TO WHOM IT MAY CONCERN

STEP AHEAD ACADEMY delivered 2 exceptional Emotional Intelligence training sessions in March 2016. The content/outcomes of the training met and exceed our expectations. The training programme was informative, practical and relevant to the audience.

We thoroughly enjoyed the well-conducted training sessions delivered by the knowledgeable and experienced facilitator.

Our experience with STEP AHEAD ACADEMY has been very positive, and to our knowledge this company has a history of timely and successful completion of its jobs.

We would definitely use the services of STEP AHEAD ACADEMY again in the near future should the need arise.

Yours Sincerely
